

1

You don't believe me
When I say
You're the most beautiful person in the world
But please believe when I say
You're the most prettiest thing
My eyes have ever seen.

2

I'm sorry
For being so difficult
To love.
I'm sorry some days
I feel like
You no longer love me,
I'm sorry you have to deal with me.
I'm sorry for overthinking
Every little thing.
I promise that I trust you
I'm just so scared
That you'll get tired of me.
I really love you,
I just never want you
To leave.

3

Being loved by you
Is like being touched
By an angel,
Being loved by you
Is like
Seeing a sunset for the first time,
Being loved by you
Is something I never expected
But I'm so glad
To be loved by you
Because being loved by you
Means you love me just as much
As I love you.

4

My heart and soul
Go into these three words.
My mind tells me
To take it slow.
But my heart,
My heart knows
The feelings I have for you.
My heart knows
That these three words
Belong to you.
My heart knows
How much
I love you.

5

It's like
You know me
Better than I know myself
I was a closed book
With wrinkled papers
But somehow
You uncrumpled it all
And read me so easily
Now my pages continue
But the only things that can be written
Are the indescribable words
Of how much
I love you.

6

My love for you
Grows everyday.
There's no amount of words
I could use
That would truly describe
How badly
I want you to stay

7

I wish
You could see yourself
Through my eyes.
You're so pretty
With a beautiful smile,
I still can't believe
Someone so perfect
Wants to be mine.
Sometimes I think
It's all a lie.
Until we stare at each other
Then I see,
Your smile and eyes
Are just as big and bright as mine.
How did I get so lucky
To have someone like you
Love someone like me.

8

Maybe happily ever after
Only exists in movies
And books
And stories.
But you make me
Really
Really
Happy.
And that is enough.
That
Is everything.

9

There's nothing I wouldn't
Go through again.
If it meant I'd always
Find you again.
